### Wilderness Sport Fishing Adventure

Fresh Water Cove is without doubt a priceless hidden jewel, a majestic setting on indisputably the last great wilderness coastlines on this planet. A very special place to spend your time in total isolation.

Covering all facets of sport fishing from estuary, river, sand flats, headlands, islands and coral reefs to fresh water billabongs.

Catering from novices to the experienced specializing in lure and fly fishing.

The angler travels and fishes from quality customized vessels with the expertise of first class Kimberley guides.

You can be fishing for Barramundi and Jacks in an estuary system and ten minutes away be hooking into monster Mackerel, Trevally and Tuna.

Duration of 8,10 or 12 day tours all inclusive are on offer with a maximum of 6 anglers.

Heli-fishing is also available on request.

### Accommodation

Fresh Water Cove is a 5 star safari style coastal wilderness fishing camp that offers comfortable modern facilities that are blended into the natural surrounds.

Two large bough huts provide both sleeping accommodation and the kitchen dining room that all look over the cove.

The showers at Fresh Water Cove have been voted the best out door shower in the land.

Freshwater Cove is accessible only by sea plane, helicopter and boat.

The flight into Freshwater Cove has been described as one of awe.
